Houston County Association for Exceptional Citizens, Inc.
Falcon Park, Inc. & Falcon Park III, Inc.

Cowart's Corner...

*Tod Cowart –
Executive Director*

The dog days of Summer are upon us as August approaches and the scorching heat has not begun to let up.....believe it or not.....school days are back in session for all of Houston and surrounding counties.....father time stops for no interruption.....Our summer swim program has been going strong with Tuesdays and Thursdays set aside for a dip in the pool!!! New faces and regular faces have joined us at the pool as we PARTY on August 13th with the end of our summer recreation program. Next on our calendar will bring the Special Olympics bowling tournament to Wonderful Robins, Georgia on August 22nd thru the 23rd. It will be an awesome weekend with bowling, fellowship, and social events for the many developmentally disabled adults, providers, and chaperones to our great city. Come on out and watch the Happy Hour Hawks and Unified Partners “keep it rolling” down the lanes for fun and competition next week. This event is a commitment of our community who cares for all developmentally disabled citizens in our great state and desire to host them with open arms in our city and at Robins Air Force Base. I am soooooo thankful for our great community and city whose supports not only include facilities but also with countless volunteers and great warmth for all of our Special Olympians. We also look forward to our fall bowling program which will begin September 15th, 2015. Our fall program adds new bowlers every season who may or may not have ever bowled or participated in Happy Hour recreation. All of these daily skills and social activities provide more opportunities and choice of independence to our individuals we serve in our Day Services programs. Our mission is being fulfilled as we CONTINUE to seek new programs of service and new opportunities for all of our persons served. Growing and evolving is the key to furthering our services and broadening the scope of the ever amazing mission of Happy Hour Service Center. And speaking of growing.....we are very fortunate to be on the receiving end of additional property and assets from the Epilepsy Association of Georgia. Their organization will unfortunately be closing their doors and dissolving their 501(c)(3) non-profit organization August 28th, 2015. We are extremely grateful of their decision to donate their thrift store facility on Booker Street along with other assets they currently own to our organization. On behalf of our Board of Directors, Staff, Developmentally Disabled Adults, and Stakeholders, we offer a mighty gracious THANK YOU to the Epilepsy Association for thinking of our organization and allowing us to carry on their mission of serving God’s special adults with disabilities. We have endless possibilities with new ideas and look forward to beginning our document scanning and storage program, document destruction program (in our facility and mobile in the community), vehicle repair and maintenance program, as well as other fresh ideas to provide prevocational training in our facilities. We are also looking forward to beginning our Senior Program in the fall and have most of the pieces in place to hit the ground running. What a testament our senior developmentally disabled adults have provided in keeping the faith and running the race; they have earned the opportunity for golden years of retirement and relaxation. To that end, we press on to achieve the mark that has been set before us and run our race with pace, patience, and progression.....EVERYONE in this organization is an enormous part of EVERYTHING we do daily in the lives of our developmentally disabled adults.....

Cowart's Corner Continued

Tod Cowart—Executive Director

Great organizations and businesses require great TEAM members who get in the trenches and work, encourage, and pick up those who need their assistance. I thank GOD daily for the opportunity to work in such an organization of SERVICE to his special citizens in Houston County and beyond.....

Thanks to Perry Air, LLC, Danny C. was able to fulfill his dream of flying in an airplane in May 2015. Danny flew over Central Georgia as the co-pilot of his plane!

Human Resources Department

*Lori Chaney —
Human Resources Director*

Please help me welcome our newest family members to the TEAM:

Bus Driver: Jon Stubbs, Charles French

Warehouse Technician: James Durham

Direct Care Aide: Al-nisa Handford, Demetria Eason, Jermonn Richardson, Anthaysha Bell, Yatia Ingram

Mail Technician: Darryl Kitchens

Job Coaches: Ann Young, Angela Buckholts

Instructor Aide: Aaron Shultz

T-shirts will be ordered soon and ready for purchase. Hope to have some new colors for everyone. Announcements will be made throughout the workshops once they arrive!!

Make sure to stop by the HR Dept if you need any assistance with your 403b, health insurance, questions regarding policies or procedures, etc...as always, our door is always open.

Self-Advocacy Committee

Debra M. Spears—Advisor

The Self-Advocacy Committee welcomes guest speakers, new members and ideas and we encourage growth. Self-Advocacy groups continue to grow not only in the United States, but in Canada, Europe and Australia. Self-Advocacy is speaking for oneself, and self-determined people are their own advocates. Our committee encourages five principles of self-determination:

FREEDOM -----The right to make basic choices about your life.

AUTHORITY-----To control the money that is spent on your behalf and the supports you receive.

SUPPORT-----To develop your dream to reach your goals.

RESPONSIBILITY---To give back to your community and to be accountable.

CONFIRMATION---Affirming the central role you have in leadership and change.

The Self-Advocacy Committee continues to meet the third Monday of each month at 1:00 in Workshop II Conference Room. If you have any questions or would like more information about our meetings, please contact Debra M. Spears at 478 929-6604.

The AD Report

*Mike Forgue -
Associate Director*

We are running on all cylinders here at Happy Hour. Many new and exciting opportunities are fast approaching. We have been working diligently to modernize our aging vehicles in our transportation fleet. The first noticeable addition should arrive sometime around the end of August. We will be purchasing a bright shiny new 2014 International box truck to increase reliability and possible expansion of our ongoing recycling efforts in and around the middle Georgia area. We also received a check from Robins Federal Credit Union to assist in the purchase of an additional transportation vehicle to bring our individuals to and from Happy Hour Service Center. We are hoping to have something purchased soon to provide additional transportation to those in need. A BIG THANKS goes out to those at Robins Federal Credit Union for supporting our organization.

If you didn't make it out to the fishing trip in June you missed out on another exciting Happy Hour event. Approximately 30 of us descended on the fairgrounds in Perry to test our fishing skills. Some had the magic touch, others, not so much. Many worms gave their lives that day and lots of fish were caught; not sure who caught the most or who landed the largest fish, but I know we all shared in a wonderful experience and had a blast.

On a final note - Summer is in full swing and things are getting mighty hot outside. Our hard working individuals and dedicated staff members are working under some pretty austere conditions picking up recyclables around Warner Robins and on Robins Air Force Base. When you see them thank them and remind them, as well as everyone else working under these conditions, to drink plenty of water. Hydrate...Hydrate...Hydrate!

Robins Review

*JR Dean –
Contract Manager*

The lazy, hazy, crazy days of summer have arrived and we in Robins Recycling are striving to keep the recycling flowing while ensuring our persons served stay hydrated and healthy in the intense summer heat. We are working hard to keep the customers satisfied by meeting our contract goals in an efficient and professional manner. We're also currently midstream in our contract extension and are looking forward to the official contract renewal process in the late summer.

I'd like to announce that Kenny L has made a move from the Happy Hour side to Robins Recycling and we're looking forward to working with him three days a week while he learns the base routes and warehouse procedures.

***EVERY DAY IN USA IS ARMED FORCES
APPRECIATION DAY***

Exceptional Mail & More

*Letitia C. Peebles
Associate Director of Administrations*

Greetings one and all! We have had a busy time with our postal services. We continue to serve the public with all their postal needs to include personal mail boxes, shipping and receiving packages, priority mail, money orders, faxes, emails, copying services and more.

We are excited to announce that we now handle UPS shipping and receiving, so please bring your packages. We continue to ship and receive packages for Federal Express as well.

We have added new staff to our postal service. Help me welcome Darryl Kitchens and Shalada Jackson to our postal family. We continue to train the individuals we serve at Happy Hour Service Center in sorting and distributing the mail daily.

It is our pleasure to be able to provide our postal services to the public and look forward to serving you.

Ryals Wing

Jequetta Moorer—
Ryals Wing Supervisor

Parties! Entertainment! Crafts! What a fun and special few months it has been on the Ryals Wing. We welcomed lots of new friends to the hall and tried many new activities. Let's welcome Oscar, Tara, Shane, Michael and Bryan to the Ryals Wing.

In April, Individuals and staff learned about the transformation of the butterfly. The butterfly is viewed by many as a symbol of spring, joy and happiness. This activity of the journey from egg to caterpillar to cocoon (chrysalis) to butterfly was recreated through art with paint, buttons, pods and paper. Everyone's version of the transformation process was expressive and original. We also had a B-I-G treat - Peter Cottontail appeared at our egg hunt! Prizes were awarded for each golden egg found. Lots of excitement occurred that day!

As the weather warmed, creativity flowed. Bins of kinetic sand were made in vast colors by Individuals to create self expressive drawings and writings along with promoting their fine motor skills. The fun did not stop there. "I Spy" recycled water bottles in a variety of scents stimulated the senses to encourage critical thinking. Bottles were filled with food colored water, sand and random items of interest to be identified. This quickly became a friendly competition with laughter and bottles rolling throughout the assembly room.

June was definitely a month to behold on the Ryals Wing. An ice cream party with sprinkles, whip cream and fruit was the opener for the month. Although we are attempting to eat healthier - splurging this once was good for some. Don't worry, alternative desserts were served for those who chose not to indulge. Everyone participated. June also gave interested Individuals the experience of Hair Day at CGTC. They chose their service and worked on self sufficiency by paying the cashier directly themselves or with the support of staff.

Lastly, we would like to thank Happy Hour Service Center for purchasing our greenhouse. Growing plants, fruits and vegetables are a new thing of interest for us. The Ryals Wing Individuals have been trying their hands at growing tomatoes. I am pleased to report that we currently have one pretty little tomato peeking through the mist of leaves. We are all so proud of it. Hopefully, they all will flourish. Until next time - remember: Believe in yourself! Have faith in your abilities!

EDIUSAIAFAD, "Attitude of Gratitude"

Michelle Booth, Retail Manager

Visit our post office "Exceptional Mail & More" or come by the Recycled Treasures Yardsale to purchase merchandise with the slogan, "Attitude of Gratitude". We have a variety of items such as ball caps, t-shirts, umbrellas, power balance bracelets or many more items to express your "Attitude of Gratitude". We are a non-profit organization and all proceeds go to help fund our developmentally disabled adults needs.

Insulated Tumblers

\$5.00 each.

Pick your color blue or red.

Recreation News

Rose R. Neal-Moore—
Recreation Technician

Recreations News

Our Annual Spring Fling was held on May 21st. As always; everyone had a wonderful time dancing the night away to great music from our D.J. We would like to thank Mrs. Deletta Hall for the gorgeous Tropical themed decorations she provided. We would also like to extend a thank you to Mrs. Ann for preparing the food as always with her loving hands. Thank you also to the Association for sponsoring the event.

Special Olympics News

We look forward to Masters Bowling being held in Warner Robins again this year; August 21st-23rd. We will have a total of 5 teams, made up of persons served, family, friends and unified partners. Practices began June 28th. They will continue through July at 11:00 a.m. The first 2 games are \$2.00 each, the 3rd game is free. Mrs. Shultz and Mrs. Pallini will be present to help the teams prepare for the upcoming games. The bowling program will officially begin September 8th.

Workshop Words

Cedric Singleton—Workshop I Supervisor

Greetings to everyone! Let us take a special moment to get you all caught up on what's happening in our workshop! We are striving to increase the individuals needs with training in social skills, I'm sure you are wondering how we have done this. We have created a movie theater room that will give them the actual "atmosphere" of a movie setting. We provide popcorn and a drink (making sure to abide by diet restrictions). We know our individuals work hard to accomplish their goals on a daily basis so our very own Will Britton came up with an idea to have an Awards ceremony acknowledging the individuals that performed at the highest standards of work performance. Excitement was in the air as they waited to hear whose names were going to be called. Please help us congratulate—Shawn Mc., Ladarius F., Johnnie A., Lee P., Calvin M., Paris S., Tracy H., Jimmy Mc., Robert C., and William M. , for doing such an outstanding job. To all the guardians, we want you to know that if you didn't see your loved ones name, there are many more ceremonies to come.

I want to thank all the staff that provide support and encouragement through team work to help the individuals reach their goals by accomplishing their social and work skills. We would like to welcome Will Britton to the WS I team and John Johnson for the one-on-one assistance he has given to William M. Thank you for all the hard work that you do.

Emory Askew—Workshop II Supervisor

Workshop II would like to welcome everyone to summer; it's here and it's hot! We'd like to take a moment to welcome Ruth Ann G., India B., and Jimmy S.! Workshop II says hello to them but we also said good-bye to Tracey H. as she has moved to Workshop I where she can be better served.

The Life Skills area in Workshop II is coming right along, this quarter was geared to teach different summer safety skills; heat safety and fireworks safety. And most importantly, how to stay hydrated during the hot days ahead of us. We also went over the persons served Rights and Responsibilities. In the Kitchen area, everyone had fun eating watermelon and drinking lemonade to celebrate the 4th. Thank you to everyone who participates in the life skills area; our persons served enjoy attending the classes.

Community Employment

Kelvin Taylor –

Community Employment Manager

Community Employment hopes that everyone had a happy and safe 4th of July! Enjoy your summer vacation and stay cool! As the weather permits we will start washing cars/trucks/SUVs for \$10.00. Call Staci at 922-1700 if you would like your car washed.

We would like to welcome our new staff member Ann Young. Ann is our new Job Coach and will be taking over for Tina while she is out on maternity leave, so please make her feel welcomed.

Our janitorial contracts are going well and we are glad that we are able to give the Happy Hour individuals more work opportunities in the community and getting them out of the workshops into a different work environment.

The Vocational Rehabilitation program is going well and we are seeing an increase in numbers for the VR individuals. We are putting a lot of people to work out in the community and could not do it without our Job Coaches; Flora, Lucius, Tonya and Kristen. We want to thank the workshop supervisors for allowing the VRs to work in different departments at Happy Hour. If you have a need for VR help please call Kelvin or Staci.

Community Employment is working hard everyday to open new opportunities for our individuals served. Please continue to keep your eyes and ears open for new employment opportunities for our individuals. If you hear that a business would like help our individuals served or have any questions please contact Staci at 922-1700, or contact Kelvin at 922-1700 (office) or 747-8978 (cell).

Jackie Barnett—Workshop III Supervisor

Workshop III is dealing with the hot weather, trying to keep staff and individuals hydrated and safe; it slows down the process of working in the community and in the workshop. Let's all keep our eyes on the individuals to make sure they are not having heat related problems. At this time, we are staying busy with the recyclables coming in and being processed into bales. We have had several changes with individuals being transferred to other workshops for various reasons, they seem to be happy, productive and cooler. We want to say thank you, to workshop II for the help with sorting plastic. James Durham came to work with us working in recycling, we are glad to have him; this addition puts Bruce McGhee working on the night shift. At this time, all is working well. Let's pray for our Happy Hour family with all the different things going on with our staff and individuals. Sometimes just being kind to one another helps with the pain that we feel in our hearts. Thank you; to staff, individuals and the VRs for your hard work in the hot weather keeping the recyclables moving. Remember to drink plenty of water.

Social Services

Carla Plant, Debra Spears, Jennifer Dalton & Lester Ward
Social Workers

We hope you are stocked up on sunscreen and drinking plenty of water, because summer is here, and it is HOT, HOT, HOT!!! To help the individuals stay cool, we have started up our summer swim program, and everyone participating is enjoying their weekly visits to the pool to play and socialize with their friends. In addition to the swim program, we had another successful and fun Spring Fling and enjoyed picking juicy strawberries on our annual Lane Packing field trip!! Sadly, we had to say goodbye to 4 individuals in the recent months: Kimberly G., Keonti M., Kenneth J. and Robert Y. It is never easy to lose anyone from our Happy Hour family and our staff and individuals are disappointed these individuals are no longer with us. However, we certainly wish them the best with their future services and plans!!! The Social Services Department has been busy, and we are thrilled to share that we have recently expanded our family and welcomed 8 new individuals! We are so happy to have Chris B, Tara M., Oscar M., Jimmy S., Courtney A., Shane J., Tarvarez R., and Lewis L. with us!!! It is so wonderful to continue expanding, and we are anticipating many other new entries in the coming month. We would like to say a special prayer request for individuals Jackie S., who continues to struggle with some medical issues, and Pat W. & Linda Sue J., who are healing from falls that occurred earlier in the spring. We have missed these individuals dearly and are looking forward to and praying for their return very soon! As always the Social Services Department would like to thank all of our families and stakeholders for their continued support and cooperation with submitting their individuals Annual Physicals, PRN Medication Permission Forms, and Medication Consent Forms. This is a HUGE help to us meeting our annual requirements with DBHDD. In closing, we hope everyone has a wonderful summer and stays safe and cool on their summer adventures!!!

Recycled Treasures

Michelle Booth—Retail Manager

Busy as Beavers..... As they say. As everyone cleans up at home and the donations flow in, our work activity has increased. We have received a lot of wonderful items lately. We have a good amount of Vocational Rehabilitation clients assigned to our workshop and a lot extra cleaning and sprucing up is getting done as well. Right now there are 17 assigned here and nine regular individuals. Our program seems to be growing by leaps and bounds.

We have created our Facebook page to seek donations and to advertise our public openings more effectively. Please visit us at <https://www.facebook.com/RecycledTreasuresYardsale>.

As a reminder: Tell everyone within your circles that we need donations and are willing to pick them up. Donations are taken M-F 9:00-3:00 p.m. We also provide a receipt for taxes. Please remember, if you wouldn't buy it, it's probably not worth donating. If you have doubts, please call us so we can help you. 478-919-3439 or 478-602-5101 and ask for Antwan or Michelle. Remember you can download or view our schedule online at www.hcaec.com.

Transportation & Maintenance

Jim Cheshire, Transportation Manager

Happy Hour follows the Houston County School District schedule for weather related closures. Tune into 13WMAZ or WNNM AM 1350 if bad weather is coming our way and you are wondering about possible closures.

For individuals that are transported by Happy Hour please call 929-6603 for ALL changes to your schedule. (Not coming into center, not needing ride home, etc.) We would like to be as efficient as possible and not make unnecessary trips. Your phone calls are always welcome!

Remember, call 478-929-6603 for transportation changes!

The heat is on! - and so are the air conditioners! So far in this hot summer we've had fairly good luck with our air conditioners—in buildings and vehicles. The latter is tough—when it's a 95° day, and the vehicle is 115° inside, the A/C dropping the temperature by 30° (optimistic for any air conditioner!) only gets us to 80° or 85° - and keeping it dropped with the doors opening and closing is tough. Thanks for understanding, and lets hope for some cooler temps soon!

We've been able to shift a few routes around some to accommodate additional transportation requests—we believe we are caught up with those. Thanks to the work Deanne and Lynn did on that, and to drivers for being flexible with the changes.

Kudos to all that have to work outside to keep buildings and vehicles running— a challenge for all the maintenance guys.

Congratulations to Lynn Mulford on being recognized for her hard work and contributions in this department. And to our part time bus drivers for safely transporting individuals daily and helping out with a myriad of tasks around the center—Congrats as Group of the Quarter.

School starts soon! - this will slow buses down a little, so bear with us. Be aware and drive safely always!

Falcon Park Happenings

*Rosemary Wright , Freddie Wallace & Rhonda Pittman
Home Managers*

It feels like the dog days of summer—steamy and humid!
And we are only in the month of July!

Danny C. always dreamed of flying in an airplane and his dream came true; granted by the Houston Perry Airport. (Thanks Liz). Danny H. also got the opportunity to ride on an airplane to Las Vegas, Nevada with Rhonda Pittman. He enjoyed experiencing things he had never done before.— Thanks, Rhonda!

Individuals from Falcon III had a fun filled weekend in “Hot Lanta”, visiting the aquarium, Six Flags, shopping and various restaurants. They brought home souvenirs of their choice, (thanks Liz and Korina) for planning and organizing the trip. Kudos! Thanks also to Demetria F., Antonio W., and Latoya J., for accompanying them. There is more fun to come!

Our Residential Individuals enjoyed the Spring Fling; good

The therapeutic spa is available for all Residential Individuals enjoyment. It’s located at FP III, like anything else, there are rules in place to be followed.

Our residential program has been in existence for approximately 23 yrs. We have experienced many changes, some positive that promoted growth and stability for our individuals and some negative w/rules and regulations governed by various organizations, that may or may not be favorable. We strive to be the best Residential Program in Middle GA.

We send out a warm welcome to all our newest employees! More information and dates of our annual residential cook-out will be posted at a later date. Until next time, enjoy the rest of your summer and please stay cool!

“One of the secrets in life is to make stepping stones out of stumbling blocks”—Jack Penn

Accounting Counts

*Deletta Hall –
Accounting Manager*

Let me just say “HOT”. This summer started out like it was the dog days of August. These have been some busy months here, with training, strawberry picking and our Annual Membership Meeting. The “Spring Fling” dance had a tropical theme with everyone receiving a lei as they walked in the door. A great time was had by all and special thanks go out to our DJ, Mr. Jack McKeen, he played some great dancing tunes.

The accounting department has been gearing up for our end of the fiscal year audit, along with Federal Department of Labor, SourceAmerica and Affirmative Action audits as well. Mr. Cowart, Tisha and myself have been looking at presentations for new accounting software, so far in the run is Sage Accounting System and Blackbaud Accounting System. Administrative staff has had a busy three months answering questions, getting reports ready and discussions.

Our In-Service Day was held on June 19, 2015 in WSII; Mr. Cowart decided that it was a good idea to have separate trainings for the staff, like forklift training for those who drive forklifts, safety training for instructors and supervisors and training for entire staff on our Employee Handbook. It was a very informative meeting and well received by all.

We want to congratulate the Employees of the Quarter, Terry Hammock for Workshops, Carol “Lynn” Mulford for Administrative, Part time Bus Drivers (Pat Brumfield, Michelle Bynum, Roshunda Smith, Maggie Veal) for Team Group and Saketha Stephens for Residential.

Blessings until next quarter, wishing all a safe, cool and fun summer.

“Thou art worthy, O Lord, to receive glory and power: for thou hast created all things, and for thy pleasure they are and were created.”

God Bless

Deletta Hall

Workshop Words Continued

Workshop II—From Page 5

Emory Askew –Workshop II Supervisor

We are pleased to have the 3SI Security contract up and running smooth. Individuals from WS I and II are able to clean and complete 2000 plus bank tabs in a week and ship them out by FedEx. We continue to work on shredding documents.

Last but not least— thanks to Rose-Neal Moore, our individuals are having a blast swimming and playing water games at the pool. Rose has all the water toys, rings, balls, floats and noodles along with the sunscreen packed and ready to go each Tuesday and Thursday. Swimming is one of the events they all look forward to each week.

Happy summer from Workshop II!

HAPPY HOUR

Houston County Association
for Exceptional Citizens, Inc.

202 N. Davis Dr. PMB 164
Warner Robins, GA 31093

For more information about Happy
Hour please call Tod Cowart
@ 478-929-6613

Houston County Association for
Exceptional Citizens, Inc., working
as Happy Hour, has been in opera-
tion since 1956, and is one of the
oldest organizations in the Middle
Georgia area serving developmen-
tally disabled individuals. Over
these years, there have been many
expansions from the original seven
consumers to the present one hun-
dred seventy (170).

Happy Hour is accredited by the
Commission on Accreditation of
Rehabilitation Facilities (CARF).
We are also a United Way Agency
and a non-profit agency under IRS
rule 501 (C) (3).
